ABOUT WIRRAL SPIRIT SCHOOL

In 2019, The Divine Edge (spiritual teacher and healer Jennie Reay) established her own dedicated centre, Healing Time. Created as a sanctuary for personal transformation, the centre was designed to offer a safe and nurturing space for healing, spiritual exploration, psychic development, and the study of spiritual wisdom and meditation practices.

For over seven years, Healing Time has grown into a vibrant community of healers, psychics, and individuals exploring spirituality and energetic wellbeing. Throughout this time, a range of courses has been developed to support students on their spiritual journeys and to inspire connection, confidence, and personal growth.

Today, The Divine Edge offers accredited courses and workshops in spiritual health, energy work, and intuitive development, all grounded in integrity, experience, and a passion for meaningful spiritual education.

We also welcome visiting teachers who share their specialist knowledge, bringing a variety of transformative modalities to our community, including Pellowah, Tameana, and more.
